Dear Incoming Wichita State Shocker:

Congratulations on your acceptance to Wichita State University. Your acceptance suggests you share many of the same skills and abilities which have served the many thousands of graduates of Wichita State University. Receipt of this letter indicates you have been identified as a candidate for a prestigious award available to incoming students.

As a current student at Wichita State University, I have found that successful students are often ones who attach importance to learning and testing leadership skills, applying classroom teachings, and establishing strong friendships with peers who share values. My Fraternity, Sigma Phi Epsilon, believes that learning how to balance roles and activities in college is one of the most important life skills one can learn. We believe that recognizing students who exhibit balance, all-around excellence, is one way to promote this important idea. Therefore, we are offering **one** Balanced Man Scholarship in the amount of **\$1000**, **two** in the amount of **\$750**, and **one** in the amount of **\$500**. These scholarships are being offered to incoming male student(s) who have excelled in the development of a Sound Mind and a Sound Body during their high school careers. Our aim is to reward men who exemplify these qualities as we believe they are essential to leading a balanced life. To qualify, you must be attending Wichita State University in 2010-2011 and return the application, along with a copy of your official high school transcript by the priority deadline of May 31, 2011.
